

## CITY OF LODI

## COUNCIL COMMUNICATION

**AGENDA TITLE:** Request to Modify Existing Terms of the Concession Agreement Between City of Lodi and Food and Fun Concessions

**MEETING DATE:** March 17, 1993

**PREPARED BY:** Parks and Recreation Director

**RECOMMENDED ACTION:** Request lowering the percentage due to the City of Lodi from Food and Fun Concessions at the Armory Concession Stand only.

**BACKGROUND INFORMATION:** Under the existing contract between Food and Fun Concessions and the City of Lodi, they are paying us 25% of gross sales at the Complex and Armory concession facilities.

Due to the Armory being a single diamond with few games, they can't continue to operate this stand under the current percentage. All other outside concessionaires have experienced this same problem and have ultimately closed this facility. This concessionaire is willing to continue the operation if the percentage can be reduced to 10%.

Staff feels it is an excellent public relations move to keep the stand open and therefore recommends the reduction in the percentage rate.

**FUNDING:** None
